ST. JOSEPH'S COLLEGE

RENSSELAER, INDIANA

In Memoriam

When St. Joseph's was still a fledgling college in the Indiana Foliage, one of its most outstanding athletes was Fred Fehrenbacher. Much as he loved sports and played them all, he grew to feel that his real future lay with the Sanguinist team. As a priest at St. Joseph's College for the major portion of his life, Father Frederick Fehrenbacher projected his enthusiasm into educating young men by concentrating his efforts on the liberal arts.

Even with this strenuous task Father Fehrenbacher unquestionably became St. Joe's steadiest and most loyal fan, attending all sports events. When Father Fehrenbacher died last winter, we lost a dedicated professor and a devoted fan.

To Reverend Frederick L. Fehrenbacher, C.P.P.S., the students of St. Joseph's College dedicate Phase, 1960. He has joined the Big Team now--but he is still a part of the spirit of the St. Joe scene.

ST. JOSEPH'S CALUMET

Reverend Henry J. Martin, Director of the Calumet Center, reviews plans for remodeling a newly-acquired building at 4721 Indianapolis Blvd., East Chicago, Indiana, with Reverend Cletus G. Kern, Assistant Director, while Alec A. Lazur, Instructor in Sociology and Director of the Public Relations Department, looks on.

HISTORICAL SKETCH

In September, 1951, sixty years after opening its doors in Rensselaer, the college established an extension, known as the Calumet Center. From that time until August, 1960, the extension courses were conducted chiefly in classrooms generously provided by

Bishop Noll High School, Hammond, Indiana. In June, 1955, the Calumet Center established its offices and library at 4708 Indianapolis Boulevard, East Chicago, Indiana.

COLLEGE CENTER

On March 28, 1960, the Advisory Board of Lay Trustees, with the approval of the Most Reverend Andrew G. Grutka, Bishop of Gary and Honorary Chairman of the Board, recommended the purchase and remodeling of a structure located at 4721 Indianapolis Boulevard, East Chicago, Indiana. With the concurrence of the Advisory Council of the President of St. Joseph's College, and with the approval of the Board of Control of the College, negotiations for the purchase of this building were completed on May 9, 1960.

In the latter part of July, 1960, the Calumet Center moved all its holdings — offices, library, art studio, and classrooms — to its new home at 4721 Indianapolis Boulevard. At the same time, St. Joseph's College made known its decision to empower the Calumet Center to offer the full four-year college program and to confer the bachelor's degrees.

The fully air-conditioned Calumet Center building houses eleven classrooms, library and reading room, general offices, administrative offices, faculty and counseling rooms, student lounge, art studio, and book store.

In addition to the Center's quarters in East Chicago, the College uses the facilities of the St. Margaret Hospital School of Nursing in Hammond, Indiana, and the St. Mary Mercy School of Nursing in Gary, Indiana, for the special service courses provided their student nurses.

The Calumet Center also arranges the Adult Education series in the various parish centers in the Diocese of Gary.

The library is a vital part of the institution's educational program. It attempts not only to implement and extend class instruction by stimulating study and research, but also to provide such recreational reading material as will foster a love for good books and cultural reading.

Ruth A. Strode
Secretary of the Calumet Center

The library is centrally located and is convenient to classrooms. In addition, an extensive program has been arranged with the public libraries in the Calumet Region to expand the availability of college-level reading materials. The student will benefit from the facilities in the East Chicago, Gary, Hammond, and Whiting Public Libraries.

Daytime freshmen were able to catch a few minutes of relaxation in the student lounge between class periods. *Left to right* are J. Kruhaj, E. McAvoy, J. Furiak, J. Gearing, P. Seroczynski, and P. Mueller.

Father Martin points out location of new property to Irving L. Lewin and Roy C. Clark who were appointed recently to the Board of Lay Trustees of St. Joseph's College Calumet Center.

ADULT EDUCATION SERIES

On Wednesday nights during the Spring Semester, many policemen from the Calumet Region changed from their uniforms into civilian clothes and attended a course in "Scientific Crime Detection." The course was conducted by Lt. Daniel Dragel, Head of the Crime Laboratory of the city of Chicago.

STUDENT ACTIVITIES

Several of the art students - S. Gaio, R. Fiori, A. Rusina, and E. Small - examine at close range a modern etching which was on exhibition during the Annual Student Art Show.

The Art Department of the Calumet Center sponsors an Annual Student Art Show. Pictured to the right are some of the art patrons from the region who found an interesting assortment of skillfully executed art pieces.

STUDENT NURSES PARTICIPATE

During her education, the student nurse spends many hours in the Pediatric ward of the hospital. Here one of the nurses from St. Margaret Hospital, Hammond, Indiana, comforts a young patient who is recovering from a serious operation.

Leisure moments are dear to the heart of every student nurse. Below, student nurses from St. Mary Mercy Hospital, Gary, Indiana, relax in the recreation lounge.

IN SPECIAL SERVICE COURSES

Little boys recover much faster when a student nurse understands their needs and visits them often. On the rounds of such a visit is a pretty student from St. Margaret's Hospital.

Essential to the professional nurse is a sound foundation in science. St. Mary Mercy students receive their science instruction from the faculty of St. Joseph's College. To the right are freshmen students searching for material for an assignment from Father Wuest.

AT PRAYER...

The most important part of the seminarian's training is the cultivation of holiness. To help him in this difficult task, he performs many religious exercises in addition to daily Mass, Holy Communion, weekly Confession, and retreat. Devotions to Mary and to Christ crucified are high on the list.

AT WORK & PLAY

An educated man is a well rounded man — spiritually, mentally, and physically. In his striving to be a well educated man, the seminarian does not neglect his body in preference to his mind. . . . he participates in a wide variety of sports, such as football, basketball, tennis, hockey, and swimming. With these as tools, the seminarian can more easily cope with the burdens of community life.

SEASON FOOTBALL REVIEW

A battered, bandaged crew of Pumas, held together by adhesive tape, linament, splints and grit hobbled to an overall 4-4 record in 1959, one of the most painful football seasons St. Joe has ever suffered.

None too deep to begin with, Joe Iofredo's "Little Martyrs" saw their ranks depleted at an alarming rate by a series of injuries as the season wore on. Halfback Les Klein stayed in one piece long enough to win the conference rushing crown, but the Pumas had to settle for third place in the ICC on their 3-3 mark.

St. Joe dropped the '59 opener to Northeast Missouri State, 16-18, as the thin red line was ground fine by the one-man-offense of halfback Dale Mills. A TD by Mills in the third quarter, his third of the game, sent the Pumas down to their first defeat.

In the DePauw quagmire, the Pumas launched their ICC campaign on a victorious note as they blanked the toothless Tigers, 19-0, and outswam them, 287 yards to 47. Junior back George Connelly led the Puma-amphibious attack with 101 total yards.

Outclassed and outmanned, the Little Martyrs fell before the defending champion Butler, 7-20. The Pumas weakened in the final quarter as the Bulldogs pushed across the deciding two scores.

The Pumas ran up their highest total of the season in downing Loras 40-8 on a rain-swept Puma Bowl. St. Joe capitalized on every Loras error, as they turned five Du-hawl fumbles into TD's. The Puma opportunists outgained Loras 330-84, with Mike Murphy rolling for three scores.

Two valiant goal line stands by Indiana State enabled the Sycamores to upset St. Joe, 14-20. With the game tied the Sycamores scored at the outset of the second half, then held the Pumas off twice on the 10-yard line with four downs to go.

Valpo, arch-rival, arch fiends, made for a gloomy St. Joe Homecoming afternoon as the Crusaders downed the Pumas 16-3. Dave Beran's 29-yard field goal was the only St. Joe score.

In another downpour, the Pumas outromped Ball State, 22-8, with Mike Murphy again contributing three TD's. Only an 80-yard punt return for a score with 40 seconds left spoiled the shutout.

Although the Evansville Aces managed to score for the first time in four seasons against St. Joe, it wasn't quite enough to win as the Pumas combined a touchdown and a safety for their third ICC win of the season and a tie for third place. Les Klein picked up 134 yards in 17 carries, including a 62 yard gallop for the only Puma TD, enroute to passing Evansville's Shatkowski for the ICC rushing crown. The obliging Red defense held Mr. S. to only 21 yards in 9 carries. Tiny Roos grabbed Shatkowski in the end zone for the safety which proved to be St. Joe's margin of victory.

Snow on ice on snow on the Puma grid-iron cancelled the final game of the season with Western Kentucky, leaving the Joe men with a .500 season.

Four wins, four losses, five rainstorms, one ice-out, numerous injuries, few reserves, and Lester Klein comprised an even-up 1959 season.

SEASON BASKETBALL REVIEW

The story of the 1959-60 Pumas is largely the biography of one man. The team as a whole caused little excitement, but the record shattering performance of Bobby Williams kept the fans buzzing even in defeat. Williams was great...but he couldn't do it alone.

The Pumas were a team that promised much, but delivered little. Their vaunted fast-break was no slower than the '58-'59 version, but most of the running seemed to be on a treadmill, as St. Joe's old nemesis—height—once again was the telling factor.

Jim Koehler fitted into the ticklish guard spot nicely, and his set-up passes were the springboards of many of Williams' points. But an injury late in the season hobbled Koehler's effectiveness, and the fast-break became even more futile.

Ron Holstein had some big nights, and he lost none of his elbow effectiveness under the basket, but, he too, was hit with an injury and lost to the team for many key games.

Al Whitlow and Jack Finnegan were among the top rebounders in the conference, but had several poor scoring nights, and neither ever did fulfill the offensive expectations Coach Joe Iofredo had for them.

Beyond the starting five the Pumas were out of ammunition. Jim Crowley showed signs of developing into a fine guard, but his inexperience was all too evident in many of the games he played in. The rest of the bench tried...but did nothing to get the

team off the treadmill.

Overall, the team finished with a 10-12 record, and finished a disappointing sixth in the ICC with a 3-9 mark. St. Joe outscored its opponents by five points in the total scoring, and hit the 100-mark four times during the season, indicative of the fact that the Pumas were still a high scoring club. So were the opponents.

St. Joe lost its first two games to Marshall (67-92) and Valpo (87-89), but rebounded to beat Indiana State, 98-68.

After a loss to Wabash (82-84), the Pumas won five straight, including the championship of the First Annual Indianapolis Classic. During this streak SJC beat Anderson (94-66), Franklin (101-94), Indiana Central (85-79), DePauw (89-69), and Bellarmine (105-92).

Indiana State took the Pumas, (85-80), but the Red then won an overtime thriller from Ball State, (101-93).

Butler launched a six-game Pumas losing string with a (105-97) victory at St. Joe. Next came losses to Villa Madonna (96-105) in overtime, Butler again (60-92), Evansville (90-99), and DePauw (87-97).

St. Joe edged Wabash, (64-63), but then dropped its last three ICC games to Ball State (87-98), Valpo (64-75) and Evansville (93-108).

SJC took its final games over Bellarmine (98-89) and Marian (112-88).

Jim Koehler demonstrates the mighty swing that helped him in earning the Most Valuable Player Award. He batted .395 and was placed on the All-ICC team as a center fielder. Even though Jim is a Senior we hope to see much more of him as he has already been approached by scouts from seven major league clubs.

BASEBALL SEASON REVIEW

The '60 Puma baseball, played its season according to a recurrent SJC diamond theme—lose a lot of the first ones, sit out the rainouts - then get hot near the end.

Hampered by snow and bad weather to start the spring grind off, the Pumas, with the narrowness of the Fieldhouse cramping their muscles and style, played a sloppy ball against many of the opening opponents. The pitchers went sour, as Bob Gallaher, the ace of the '59 mound staff, couldn't get untracked. Greg Grothouse blew hot and cold, Frank Bergman was quick but wild, and Pete Simon, whose ball was hopping the best it ever has in his three years of varsity play, didn't work enough.

Coach Jim Holstein juggled his lineup throughout the season and tried to surround his sluggers, Jim Koehler, Al Whitlow and Jack Finnegan, with a decent supporting cast. Finnegan led the team with a .400 batting average and several clutch pinch hits,

Koehler hit .375 and kept the scouts interested and Whitlow hit .300 plus and threw strikes from right field.

Around these three Ernie Kolesiak struck out too much, Bob Decker fielded third well, but hit below .250, Jim Crowley tried hard at shortstop, perhaps too hard, second base was anybody's guess on some afternoons, and Tom Roemer played a good, but not great, first base. The catcher had trouble with balls hit straight up, and pitches wide and low, and the bench paraded a succession of pinch-hit outs up to the plate, Finnegan excepted.

At season's end, the Pumas had plopped into the ICC's lower levels, despite a pair of impressive performances over Butler and Indiana State. Oh somewhere in this land, the sun is shining, but in Pumaville, the Mighty Red has struck out.

MINOR SPORTS

The minor sports program consisting of the intercollegiate sports of track, golf, bowling, tennis and wrestling experienced one of its most active seasons in recent years. New and reorganized sports to enter into intercollegiate competition this year were the tennis, track, and wrestling teams. We were glad to see the student interest that was responsible for the success of the program and hope that it will become stronger yet in the future.

Promising members of the Track team that we hope to see in future years are Freshmen: *standing*, A. Berger, J. O'Connor, J. Deasey, J. Tuerff, S. Murphy, W. Keenan, J. Francis; *seated*, H. Wilken, A. Diener, W. Krauklis, Coach Dwyer, R. Sandell, R. Cochran, and E. O'Hara.

TRACK

For the first time in three years St. Joseph's College was represented by a track team. Under Coach Edward Dwyer the team, despite its lack of experience, held its own in the various midwestern track meets in which they competed. Upperclassmen on the team are below: *standing*, J. McCauley, T. Schoenbaum, K. Brand, R. Klein, W. Wilburn, M. Clark, R. Temfelde, V. Roose, M. Mettler. *Seated*, G. Beemsterboer, W. Kreutzjans, J. Kroeger, P. Keller, Coach Dwyer, T. Seroczynski, J. Andreotta, R. Dhooge, and W. Dziadosz.

GOLF

This spring's St. Joseph's College Golf Team consisted of twelve men under the able coaching of Mr. James Holstein. In the twelve meets this season the squad's long hours of practice resulted in a successful record. Team members are: *standing*, D. Hershberger, J. Klingele, R. Holstein, P. Bray, R. Nietzel; *seated*, P. Loner, Coach Holstein, and R. Etter.

BOWLING

The bowling team, a member of the Midwestern Intercollegiate Bowling Conference with DePaul, Notre Dame, Valparaiso, and Loyola Universities, placed third in the league under the leadership of Reverend B. Dreiling. The members of the team are: *r. to l.* E. Starshak, R. Piermattei, R. Nietzel, and J. Durkin. *Not pictured* are Coach Father Dreiling, and W. Nedza.

TENNIS

New this year in intercollegiate competition was the tennis team. Although we lacked the experience necessary for a winning season we showed promise for the coming seasons.

Team members are; *standing*, S. Bumbales, J. Zid, P. Leonard, R. Ramesk; *seated*, R. Gallivan, Coach Dwyer, D. Singleton. *Not pictured* are R. Cuarez, and W. Nedza.

WRESTLING

Also new this year was the wrestling team. Experiencing a successful season for their first year are the following team members: *standing*, R. McMullen, A. Berger, D. Will, J. Zid, M. Mettler; *seated*, J. Bielfeldt, J. Wild, Coach Dwyer, W. Miller, R. Hietpas, L. Klenime, and J. Delaney.

MINOR SPORTS REVIEW

In its maiden voyage into an expanded minor sports program last spring, St. Joseph's was busy . . . but mediocre. Plunging a resurrected track team, a newly-conceived wrestling squad and a veteran golf and bowling group into ICC and inter-conference wars, Pumas came up with a few scattered wins, a few heartening performances, and no winning record.

Jim Holstein's golf team dropped seven of its 10 matches, won two and tied one. Both Puma wins came in the ICC, where they finished third. In the last two matches of the season, the Puma putters whipped DePauw (10½ to 4½) and Indiana State (9½ to 5½). Conference losses were to Indiana State (3½ to 11½), Ball State (5½ to 9½), and Valpo twice (2½ to 12½ and 8½ to 9½).

St. Joe tied DePaul (10-10), in outside competition, but lost to Navy Pier (8½ to 11½) and Bellarmine (1½ to 15½ and 7½ to 19½). In the Little State Meet, St. Joe tied for third out of a field of 18.

The tennis team played an abbreviated schedule and dropped three out of four, the last match going to the rain clouds. Ed Dwyer's netmen lost to Butler, 0-7, Marion, 3-4, and Valpo, 0-7. The Pumas placed seventh in the ICC Tennis Tourney with nine points.

In intercollegiate bowling, St. Joe rolled a .500 season, winning four of eight. Wins were

against Loyola (4-1 and 4-1), Valpo (3-2), and Notre Dame (3-2). Losses were to DePaul (1-4), Valpo (2-3), Notre Dame (0-5), and DePaul (2-3).

In the Midwest Intercollegiate Bowling Conference Tournament, St. Joe finished third behind DePaul and Notre Dame. Overall, the 1960 record was 19 won, 21 lost.

In their ventures into track meets during the spring, the Puma freshmen thinclads took a satisfying victory from Valpo in a Dual Meet with the Crusaders, (7½ to 51½), but the varsity runners finished as also-rans in the rest of the season's competition. In the Manchester Relays, the Pumas finished sixth in a field of eight and sixth of nine in the Rose Poly Relays.

The first track win in the history of St. Joe came with a victory over Rose Poly, (68 to 63) in a Dual Meet. In the other Dual Meet, St. Joe lost to Valpo, (57½ to 76½).

In a Tri-Way Meet, the Pumas finished third with four points behind DePauw (102½) and Indiana State (52½). In a Tri-Way Meet the frosh runners finished third with (25) points behind DePauw (75) and Indiana State (71).

Terrible Turk Dwyer's wrestling team lost both of its meets, to Indiana (3-20) and Valpo (10-26). The Puma matmen finished seventh in the Little State Wrestling Tournament.

STUFF

Stuff, the bi-weekly newspaper, not only covers the latest campus news and sport happenings, but it also is an outlet for public opinion and criticism. Under the direction of Mr. Hugh Cowdin, Stuff gives the students in the field of journalism firsthand experience.

Above are: Co-Editors Jerry Mauch and Greg Mahoney, sitting on the desk is Associate Editor Bill Malley.

Left are: seated, D. Zawila, R. Lawnzak, W. Fortin, M. Rosinski, R. Krizmanic; standing, R. Rospenda, G. Clausen, H. Martinelli, T. Cusick, and J. Meservy.

PUBLICATIONS

Publications at St. Joseph's are a very important part of school life. These publications serve not only to inform the student as to what is taking place, but they also serve as an outlet for the creative skills of interested students.

Seated are: Ray Krizmanic, Business Manager; Joe Lambke, Editor-in-Chief; and Greg Mahoney, Copy Editor.

PHASE

Phase serves as a literary record of the events of the past year. The staff, under the guidance of Mr. Gatto, compiles, edits, and produces the annual which contains a permanent record of the faculty and student body, the athletic and extra-curricular activities, and other memorable events.

Harold Gallagher,
Photographer

Seated are: Ron Lawnzak, Academic Editor; Jim Lambke, Social Editor; *standing are:* Dave Cook, Assistant Business Manager; Jim Biehl, Religious Editor; and Dick Meister, Organizations Editor.

MEASURE

Measure, the literary magazine, comes out at the end of each semester. A small group under the guidance of Reverend A. Druhman, who are interested in creative writing, are responsible for this highly creative and popular magazine.

Above: seated are, Editor Hank Pictor and W. Walsh; standing are, T. Schoenbaum, R. Dhooge, and J. Hancock.

COURIER CLUB

The Courier Club was organized this year in order to provide student guides for visitors and to assist Reverend Richard Baird in showing interested students the campus.

Left: seated are, President John Mascotte, V. Salvo, and D. Hoover; standing are, M. Kaminski, D. Cook, F. Weber, D. Cunningham, and W. Kennedy (not present).

Officers of the Student Council *seated left to right are:* Matt Lynch, Vice-President; Ed Massura, Treasurer; Reece O'Connor, President; and Roger Mueller, Secretary.

STUDENT COUNCIL

The Student Council completed a most successful year. In May of 1959 the students took an active part in one of the most talked about elections in recent years. The impetus started by this election carried over into the activities of the newly elected council. The Council finished in the black even though two Jazz Concerts were added - Amahl Jamal Trio and Dave Brubeck. The Council also initiated this year a Disciplinary Committee in order to place school discipline into the hands of the students.

Members of the Student Council *seated left to right are:* Ray Krizmanic, Inter-Club Chairman; Bob Gallaher, Senior Class President; Paul Andorfer, Freshman Class President; and Gerry Hagerman and Larry Kelly, Co-Chairmen of the Dance Committee.

HONORARY ORGANIZATIONS

MONOGRAM CLUB

The Monogram Club's purpose is threefold - the fostering of loyalty to St. Joseph's College, recognizing the honor and obligations of participation in intercollegiate athletics, and the aiding of varsity athletes to become integral, positive members of the student body. This year the club accomplished far more than just the above purpose. Its members took the orphans of Lake County into their hearts on numerous occasions. The Club also presented an enjoyable Faculty-Monogram Club basketball game which was witnessed by almost the entire student body.

Members seated are, G. Connelly, G. Ruzieka, E. Kolesiak, R. Gardner, J. Dempsey, B. Decker, D. Beran, B. Piero; 2nd row are, E. Gronemann, T. Roemer, M. Bartels, V. Goeddeke, J. Madden, M. Byrne, V. Roos, J. Florenza, G. Rafferty; 3rd row are, E. Eshman, T. Drennan, L. McKay, T. Buscarini, T. Serocyzski, and R. Budzelik.

DELTA EPSILON SIGMA

The Gamma Delta chapter of the National Honor Society, Delta Epsilon Sigma, gave honor to its members and continued service to the college throughout the year. Among the speakers at the chapter meeting was Mrs. Mary Reed Newman, a noted lecturer and author. The members received eighteen offers of aid to various graduate schools.

Above: members seated are, R. O'Connor, G. Mahoney, M. Rosinski, C. Loesch; 2nd row, R. Meister, J. Kanamueller, E. Starshak, R. Krizmanic, J. Mauch; 3rd row, M. Casey, R. Koron, Jos. Lambke, J. Bellucci, and J. Blanzky.

HISTORY

The History Club was selected as the outstanding club on campus for the year 1959-60. Early in the school year the Club presented its Sweepstakes Raffle with 101 prizes and a Talent Show in order to send its members on a trip to Civil War battlegrounds in the South. The trip was directed by Mr. Richard Kilmer, the club moderator, and covered Illinois, Kentucky, and Tennessee. In addition the Club sponsored a discussion forum and a political workshop.

SOCIOLOGY

The Sociology Club's objective is the furthering of interest in Sociology and its related fields, such as Psychology, and Anthropology. The club proposed to accomplish this by means of professional speakers, club trips, and panel discussions.

BIOLOGY

The main purpose of the Biology Club is to provide speakers whose topics would enable the membership to become acquainted with the Arts and Sciences with which they are not directly connected.

Officers are: B. Smat, Secretary; J. Bellucci, President; J. Kanamueller, Treasurer; and J. Fitzgerald, Vice-President.

GEOLOGY

The function of the Geology Club is to help the student three ways: further interest in Geology, give practical knowledge through field trips, and to foster a closer contact between the students and the professors.

Officers of the club are M. Lynch, Vice-President; J. McMullen, President; J. Moulthrop, Secretary; and E. Mantai, Treasurer.

COMMERCE

The Commerce Club is composed of students who major either in Business, Marketing, or Accounting. Membership in the club numbers close to one hundred. A knowledge of the business world is gained through field trips and professional speakers.

Officers of the club are R. Koron, Secretary; D. Donahue, President; and J. Tryzna, Treasurer.

ENGINEERING

The Engineering Club completed its third year on campus this year. Under the leadership of Brother John Marling, the club gave the Engineering students opportunities of both working together and gaining additional insight into their respective fields by means of lectures, movies, and trips.

Officers of the club are J. Romanyak, Librarian; R. Lzarski, President; W. Krantz, Vice-President; A. Purcell, Treasurer; and J. O'Neil, Secretary.

RELIGIOUS CLUBS

Left to right: Y. C. S. members, M. Kaminski, J. Gordon, M. Reinhart, President J. Blanz, V. Salvoy, L. Keens, and Secretary F. Faulstick.

Y.C.S.

The Young Christian Students organization was organized at St. Joe's several years ago in affiliation with the National Y.C.S. organization. The primary aims of the club are twofold: to achieve greater self-perfection of each member and to achieve as a group a better Christian world to live in through good example and various activities.

DON BOSCO

This year the Don Bosco club, whose specific purpose is to provide servers for the daily Masses in the College Chapel, undertook other activities. Among these were the donation of food baskets to needy families and the sponsoring of informal lectures.

Left to right: Don Bosco Club members, P. Bresnahan, K. Carroll, Vice-President N. Kuntz, B. Kennedy, Reverend A. O'Dell, President H. Crea-ger, B. Sullivan, K. O'Brien, and M. Fetting.

FINE ARTS

Glee Club officers are F. Gelino, H. Pictor, President, and R. Kaiser.

The Glee Club's activities are unknown to many of the students at St. Joe since most of the concerts take place off campus. Through these concerts the Glee Club fulfills the very important function of a Public Relations Group. Under the direction of Fr. Heiman, who just returned from Rome after two years of study, the Glee Club presented a Christmas Concert and a Spring Concert on campus.

Various girls schools in the Midwest area produce combined concerts with the St. Joseph's College Glee Club. Hard work and long hours of practice result in wonderful enjoyment for the audiences and the satisfaction that comes from success for the glee clubs.

Well deserved relaxation after the show is one of the benefits for members of the combined concerts.

Members of the Glee Club travel by bus for concerts away from St. Joe.

Officers are: B. Moriarty, President; J. Buese, Vice-President; B. D'Angelo, Treasurer; and H. Ruppel, Secretary.

COLUMBIAN PLAYERS

The Columbian Players, under faculty moderator Mr. Willard Walsh, completely reorganized their society in the past year. The results were rewarding not only for the members, but also for the student body. The purpose of the Columbian Players is to afford its members the basic facilities for the exercise of their dramatic talents. The Players presented two full length plays - "Time Limit" on November 16-18 and the very highly successful "Taming of the Shrew" on May 11-12.

"TAMING OF THE SHREW"

by William Shakespeare

Joining the Players on May 11 and 12 in this production were Mr. Ralph Cappuccilli, head of the speech department, as Petruchio; Mrs. Ralph Fendig and Mrs. Rudolph Volz, of Rensselaer, as Katharin and Bianca respectively. The play is one of Shakespeare's earlier comedies and concerns the taming of Katharin, a "shrewish" woman.

Could this be Petruchio - promising to marry Katharin and tame her?

The stage crew is one of the most important groups in the production of a play. A successful play, such as "Taming of the Shrew" was at St. Joe, always has a hard working and efficient crew.

BAND

The St. Joseph's College Band under the directorship of Mr. Adam Lesinsky, is the spirit of the St. Joe campus. The band presented an excellent marching show at each home football game. At every pep rally and basketball game school spirit centered about the band. But on the more serious side, the band presented three concerts that were very successful.

Officers: E. Veome, Secretary; R. Osmulski, Librarian; R. Haldorson, Publicity; T. Lewis, V. President; Mr. Adam Lesinsky, B. Ernst, President.

FRENCH HORNS AND BARITONES: D. Hershberger, J. Atkinson, R. Dhooge, S. Murphy, T. Naylor, T. Sabados.

Below is the St. Joseph's College Dance Band that has become so popular in recent years throughout Northwestern Indiana.

WINDS - Left to right: M. Fitzgerald, M. Gradl, A. West, S. Mirabella, and J. Companik.

SOCIAL CLUBS

The Chicago Club gives a most enjoyable Senior Banquet each year in May. Sitting at the speakers table are Bill Miller, President of the Chicago Club; Father White, Moderator; Mrs. Flynn, and Mr. Flynn, guest speaker.

CHICAGO CLUB

The Chicago Club has made vacations more enjoyable by their social functions for almost half the student body. On the more serious side, the club initiated the Father Fehrenbacher Award which is given to the Most Valuable Senior Basketball Player. The club also donated \$100.00 to Father Campagna's Boys Town.

Some of the club's seniors seem to be showing off their new shirts.

Waiting anxiously for their dinner are more senior members of the Chicago Club.

Officers of the Lake County Club are: B. Ramesh, Treasurer; M. Rosinski, President; D. Evans, Vice-President; and G. Stephans, Sergeant-at-Arms.

LAKE COUNTY CLUB

The Lake County Club is a social club whose aim it is to bring closer together the students living in the Calumet area. The Lake County Club is active on as well as off campus. On campus the club provides its members with the book-of-the month free and also offers its services at Homecoming. Off campus activities center about four dances which are held during vacation periods.

NORTHERN OHIO CLUB

The Northern Ohio Club's purpose is to bring the students from Northern Ohio into closer contact during vacations and after graduation.

Officers are L. Siclair, President; J. Smith, Vice-President; and B. Ring, Secretary.

FORT WAYNE CLUB

The Fort Wayne Club was organized to publicize St. Joseph's College among students in the Fort Wayne area, to provide activities during vacations, and to construct closer bonds among the students at St. Joe from the Fort Wayne area. The club gives talks at the Fort Wayne high schools to students interested in college. Dances are sponsored during vacation periods.

Officers are C. Loesch, President; D. Cook, J. Mauch, and J. Breman.

DETROIT CLUB

The Detroit Club completed its most successful year in its history this year. The club helped organize an active alumni club of the Detroit area and also a Detroit Parents Club. The club also sponsors dances and picnics during the vacation periods.

Officers are G. Mueller, T. Cusick, President; and M. Arce.

CAMERA CLUB

The Camera Club's main purpose is to promote interest in photography. This year the club sponsored a photography contest open to the student body which was a big success. Below, enjoying a night away from the darkroom are the Camera Club members.

HOBBY CLUBS

RIFLE CLUB

The Rifle Club was organized by those students interested in guns and the competition involved in marksmanship.

Officers are M. Elliot, President; and K. McIntosh, Secretary.

CHESS & CHECKER CLUB

The Chess and Checker Club was organized in order to allow those students interested in this form of relaxation to come together every month for competition. Each year the club sponsors both a chess and checker tournament for the entire student body.

Seated are J. Christensen, J. Brennan, President; J. Kanamueller, J. Sanfelippo. *Standing are* R. McMullen, M. O'Conner, R. Berg, J. Singleton, and L. Bara.

SAN JOSE RAILROAD CLUB

The San Jose Railroad Club operates the model railroad in the Noll Hall basement. The principle function of the club is to create an interest in railroading and to provide its members with facilities for constructive recreation.

Officers are P. Simon, Secretary; B. Larger, President; and R. Dhooge, Vice-President (not present).

MOCK CONVENTION

The first Mock Democratic National Convention was held in the St. Joseph's College auditorium on May 2 and 3 this year. Senator Gale W. McGee, a Democrat from Wyoming, the scheduled keynoter, was unable to be present because of an important appropriation bill on the senate floor. Bill Moriarity, acted as Democratic National Chairman for the convention. Dick Meister was Vice-Chairman.

Adali E. Stevenson emerged as the Presidential nominee winning on the fourth ballot. Governor Pat Brown of California was nominated as Stevenson's running mate on the first Vice-Presidential ballot.

Mr. Howard Phillips, assistant professor of History, acted as faculty moderator.

Three hundred and seventy-four students participated as delegates to the Convention.

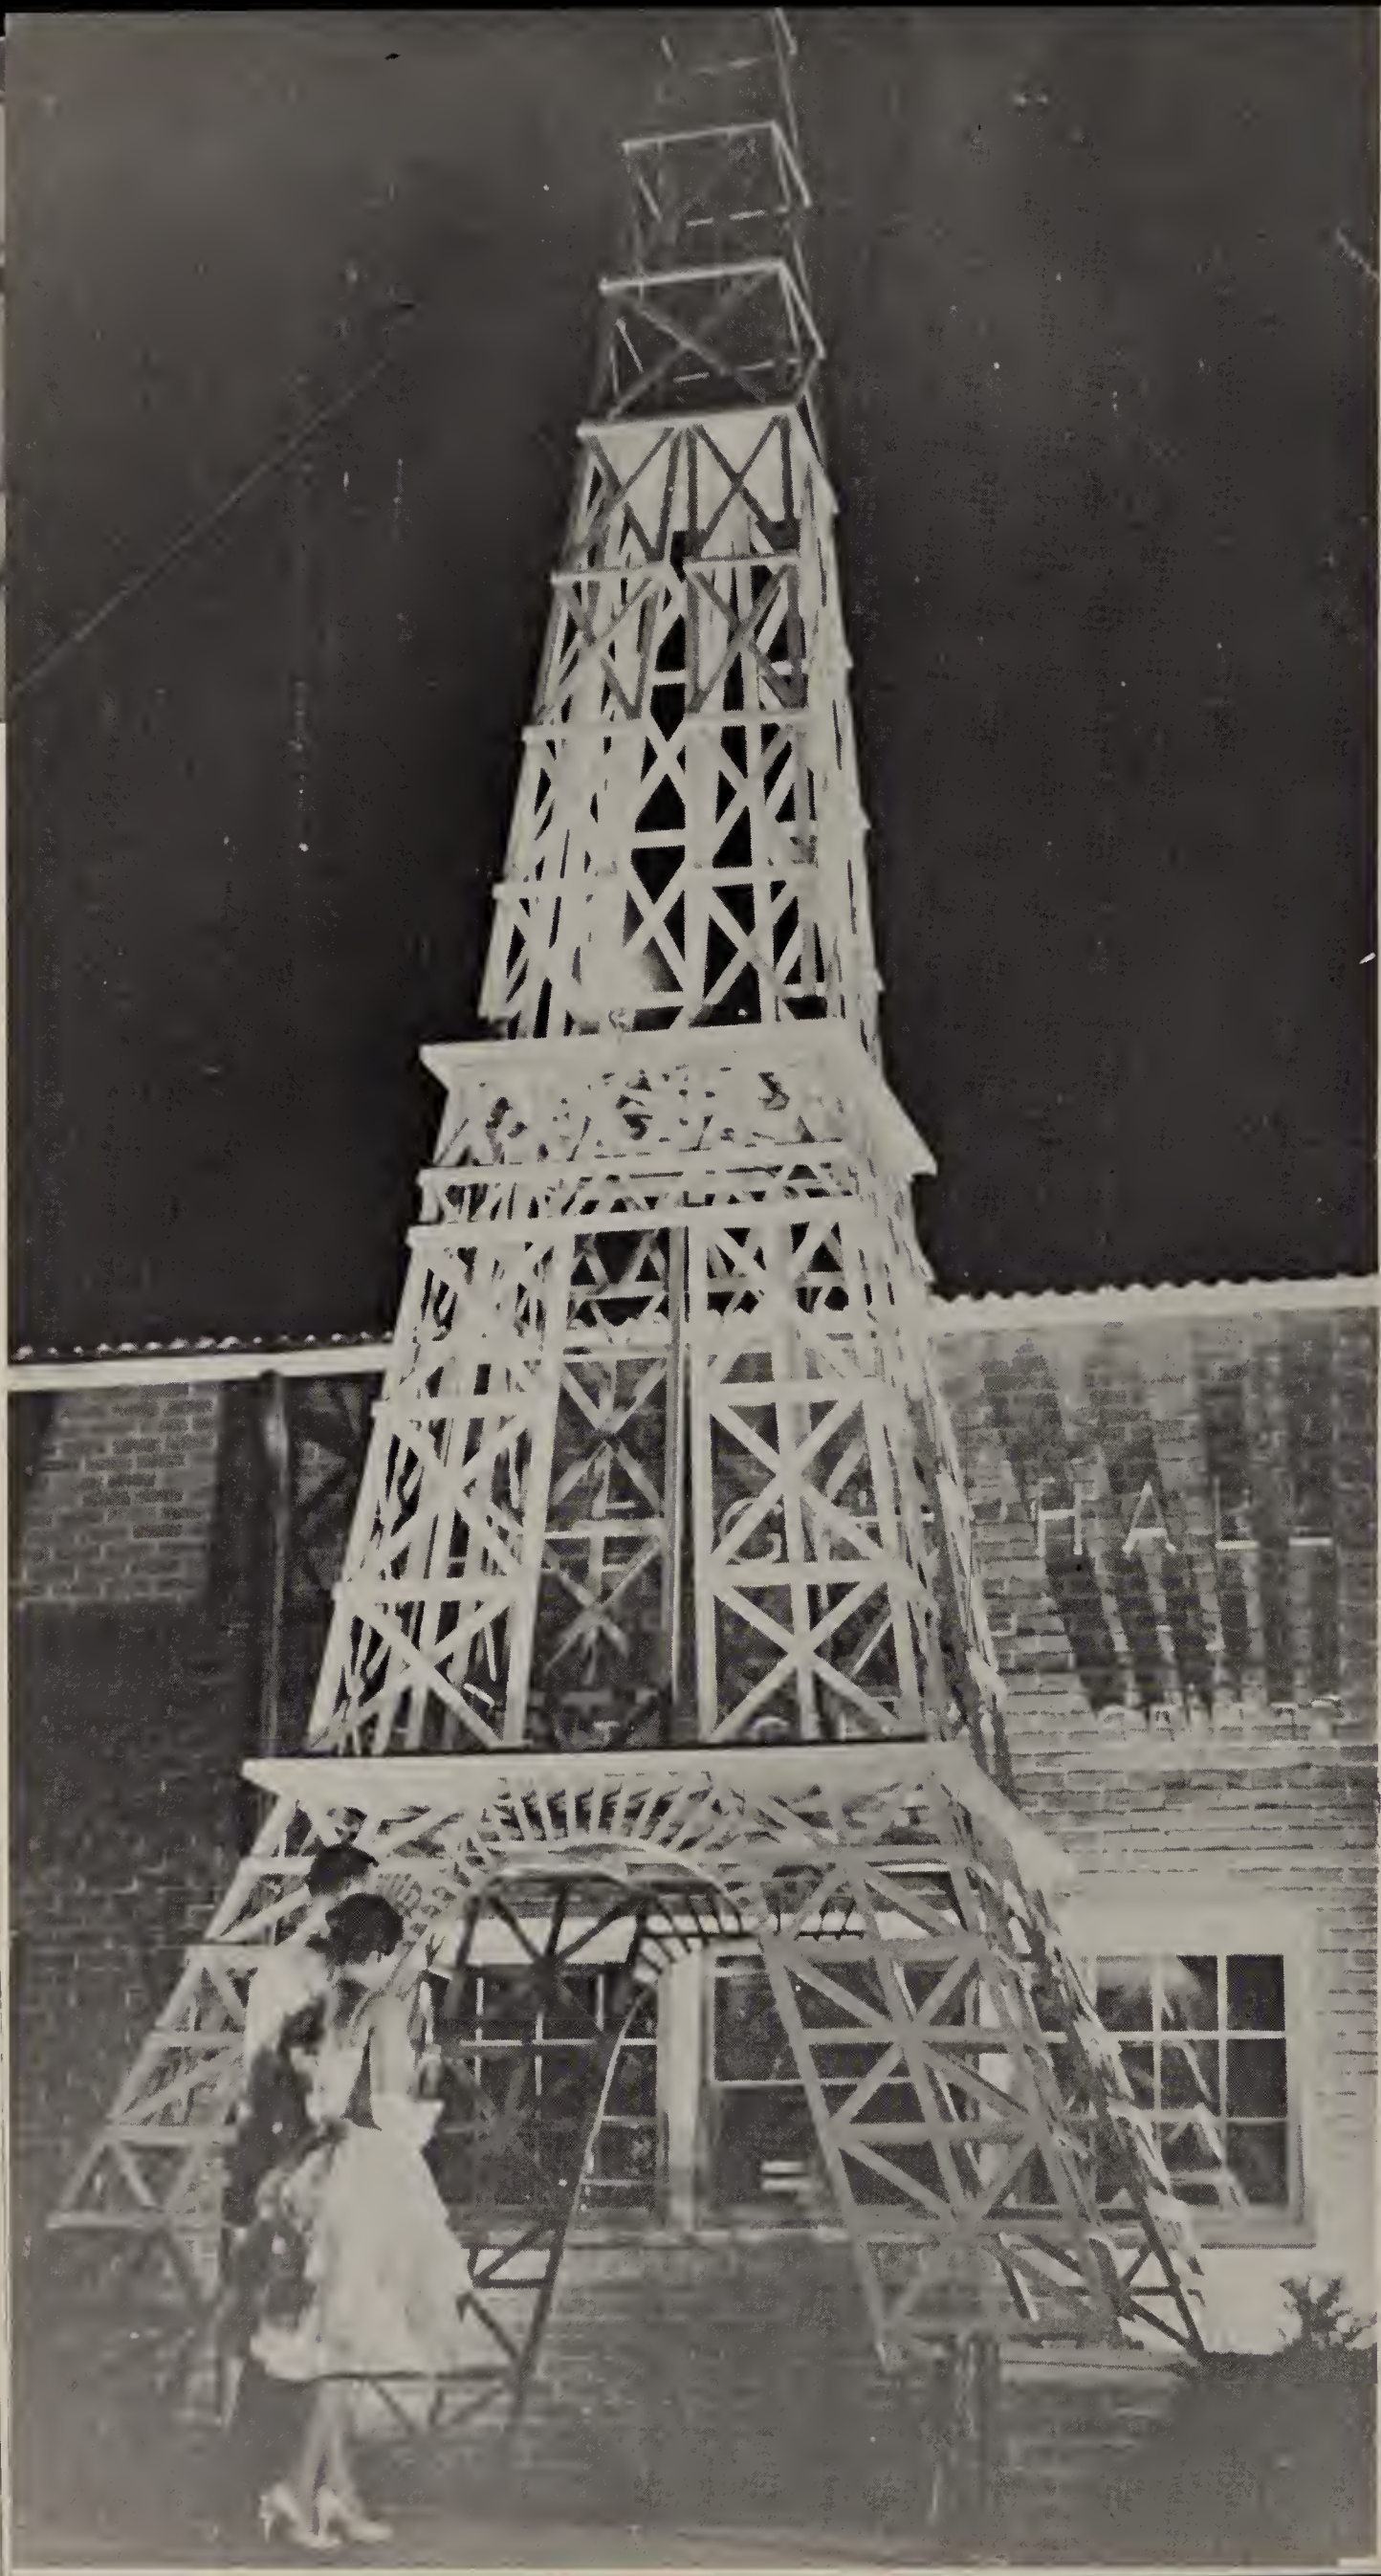

Credit is due to the girls from Rensselaer who brightened the parade and the Kennedy demonstrations.

Tim Sullivan was the permanent chairman for the convention.

The band provided entertainment for the parade from Rensselaer to St. Joe's campus.

Social

It was Justa-Bar in old Pumatown, but for the Alumni and Joe-men who gathered around it at Homecoming, it was a common bond where toasts were offered and stories exchanged.

Resurrected from the shambles of a condemned Rensselaer building, the magnificent mahogany bar, re-coated and re-stocked, was the center and the theme of the 1959 Homecoming festivities with the bar as the focal point, the Rec hall around it was reconditioned into an ivy-clad, lamplit bistro, typical of the prime meeting hall of the college and post-college set.

For the first time the Homecoming dance was run on a free-admission basis, as the Senior Class and the Alumni Association worked to provide the maximum of togetherness at the minimum of cost. The big thing was to get the St. Joe Senior and the St. Joe grad together around that cozy Justa-Bar where past memories and future prospects would merge under the magic Homecoming atmosphere.

Tossing a damper on the day's football proceedings was the miserable weather and Valpo, a traditional enemy, which even the oldest St. Joe alumnus can hold a measure of hate for.

That's my girl...
What's so funny?

Here's to the future, may it be as pleasant as were our days at St. Joe.

Load those trays and hurry back with more!

The coaches take a "time out."

One for the waiters and then back to the job.

A "blasting" welcome for the Alumni.

The Tower Dance was said to be "out of this world" by those who attended.

TOWER DANCE

The St. Joe underclassmen blasted off to "Nebula in Nowhere" on Nov. 7, 1959, which is somewhere deep in the realm of the outer cosmos. "Nebula in nowhere", the theme of the Tower Dance, transported the couples to a small crater situated on a celestial body somewhere in the universe. As the dancers approached Raleigh Hall they were greeted by large skyward-pointing rockets, designed to give the dance that forward look. Inside, Woody Herman directed his 15 piece orchestra and started the dancing which was done in the bowl of a large crater. The tables were separated from the dance floor by the rugged crater walls, and overhead a large mobile of the planets swung lazily around.

Is it herbivorous or carnivorous?

The rocket Nebula made a big hit. Who knows, a little push and it could reach the moon. All you need is a little imagination.

WINTER DANCE

The Winter Dance, once more held at St. Joe after three years of being absent from the major dance schedule, turned out to be a complete success. The dance, sponsored by the Student Council and made free to all students, was held on Dec. 11. Santa made the rounds and was a big hit.

What's this? The Christmas Cha-Cha?

Santa and his partner are in the Christmas spirit.

Winter time... a party mood... a charming girl... its warm inside... what else does one need... for a pleasant evening?

MARDI GRAS

If this wasn't Endsville, it sure beat anything in second place. True, like, there might have been a phoney touch to some of the jazz—the pseudo chin fur, and the ad-libbed hip idiom... but, dad, you gotta go a long way on the road to dig the kookier St. Joe social spectacular as that Mard-ee Graaa dance.

Now picture a meeting of all Castro's barbudos. Toss in the feminine cast of a Dracula flick, the attire of a Skid Row chow line, the jargon of an integrated meeting of a Bronx street gang and a Dick Clark -iffic group, and, son you got a beatnik's-eye view of the Swingin' 60's — Pumaville style.

Here sprawled the future leaders of America. The future economist sleeping against the side of a gaudy garbage can in the middle of the floor. The potential corporation lawyer explaining to his chick while the essence of his being refuses to cool down.

This, friend was something that few outsiders really see — the St. Joe man away from his books, away from his decorum... the St. Joe man reduced by the craziest — and liviest dance ever held in Pumaville — reduced to the elemental, but typical level of a Kook.

"I don't mind you missing the beat, chick, but at least let's all stick to the same song."

Man are they a cool group! Live it up!

"I know these shades are supposed to be cool and all that jazz . . . but I still can't see a damn thing."

"Let's dance." "Can't - got a rip in my leotards."

Like, come hither daddy-o's. He is who was.

"One thing you can say about this 'Thirsty J's - Never any 'Standing Room Only' - always immediate seating . . . or sprawling . . . or flopping."

MIXER WEEKEND

Somewhat akin to the way a starving European grabs hungrily at a Care package, is the manner in which Pumaville greeted the arrival of the packages from its Mixer Program, those little bundles of joy and spice which trundled out of the busses on Saturday afternoons and into the Rec Hall.

In both cases, basic human wants are satisfied. The starving European gets his food - and the lonely Puma gets his girl - and in both cases, it must be remembered - beggars can't be choosers.

The biggest Mixer Program ever devised was run in 1959-60 by the Student Council, as lavish casts of thousands were brought from the campi of the Woods, St. Francis, Mundelein, St. Xavier and Rosary, to the bubbling pond and the tolling chimes of St. Joe for a night of dancing and cultural exchange.

But, no matter how many more girls are invited down to St. Joe every year, the favorite plank of every Student Council candidate from now until the day Saint Joseph College goes co-ed is "Bigger and Better Mixers."

The Student Council is a more than gracious host for all these pleasant interludes to the humdrum of the academic life.

Hmmm - Old Spice?

The Rec Hall is transformed into a dance hall for the night when mixer time comes.

The main business of a mixer is mixing and the Joe-men always do a good job. That is if the pickens are good.

"I know the cafeteria food is bad, but can't you bite your own nails."

PROM

In a little Parisian street in early May, away from the Algerian crisis and the Bardot business, close to 200 people, nattily attired in the finest of Midwest fashions, tinkled glasses, drank toasts and danced into the soir.

St. Joe's Proms have roamed from the Far East to the hills of Rome, and the 1960 stopover was la belle Paree, its jutting Eiffel Tower, its rare liquer, its quaint sidewalk cafes, where the bitterness of expersso is replaced by the smoothness of the Gallic charm.

Set up on the nearest intersection of two of these secluded Parisian streets was the happy band of Peter Palmer musicians, combining their own distinctive sound with canny interpretations of the music stylings of other popular American bands.

As the sun set on the American flatlands outside this Paris-in-Pumaville, the Eiffel Tower, a masterpiece of exactness and similitude, was lit and served as a glamorous beacon to approaching Prom goers. Remarkd a Rensselaer agriculturalist on passing the Rue de la Rec Hall: "How ya goin' keep 'em down on the farm, after they've seen Paree?"

Prom goers gather in front of the Moulin Rouge for a gay Paree evening.

The sidewalk cafes were realistic and inviting.

Mary Coletta Link is crowned Queen of the Prom by Al Hanley, President of the Student Council.

Atmosphere is the key to the success of a dance.

Certainly I'm a Paris model!

The announcement of the Prom Queen gets a hand of approval from la Parisians.

Candle light helped to add that certain touch to the Paris mood.

HOP

From his perch in the Orientalized Eiffel Tower, Buddha smiled benignly on the Frosh-Soph couples that passed beneath him into the J-House of the May Moon, the Rec Hall, for the serving of "Double Happiness" that the Frosh-Soph Hop offered.

Into the lush, crimson and ebony trappings of the East plodded the Yankee occidentals. The Upperclassmen, No. 1 Sons of the Puma social scene, provided the musical setting for the happy talk by the gathered opium dreamers.

This was the peace of the Orient Jim Hagearty so sorely missed in the streets of Tokyo.

Dancing amid trellises, fountains, chimes and lanterns set the Japanese fashion in a garden atmosphere.

Couples gather on the patio of the oriental mansion.

The theme of "Double Happiness" seemed to be a good name for the scene that was set in the Rec Hall.

CONCERT SERIES

The concert series opened with the famous violin and piano duo, Benno and Sylvia Rabinof, whose appearance on campus presented a type of art we seldom experience. Next came Macbeth which was preformed by Players Incorporated, a group of semi-professional drama graduates from Catholic University. Winding up the classical series were the offerings of Josef Marais and Miranda, international balladeers.

In the spring two Jazz concerts were sponsored by the Student Council which featured the Ahmad Jamal Trio and Jazz Pianist Dave Brubeck and his quartet.

GRADUATION

Some 126 Bachelors, who had squeezed through the closing college door four years previous, had run headlong into the end of the line. Squirming uncomfortably, but proudly under the cap and gown while the Baccalaureate program moved on, some 126 members of the class of 1960 remembered the comps, the dances, the ball games, the index, the food, the town, the black Ford.

Some 126 graduates thought ahead to the draft, the job, the finances, the 8-hour day, Homecoming

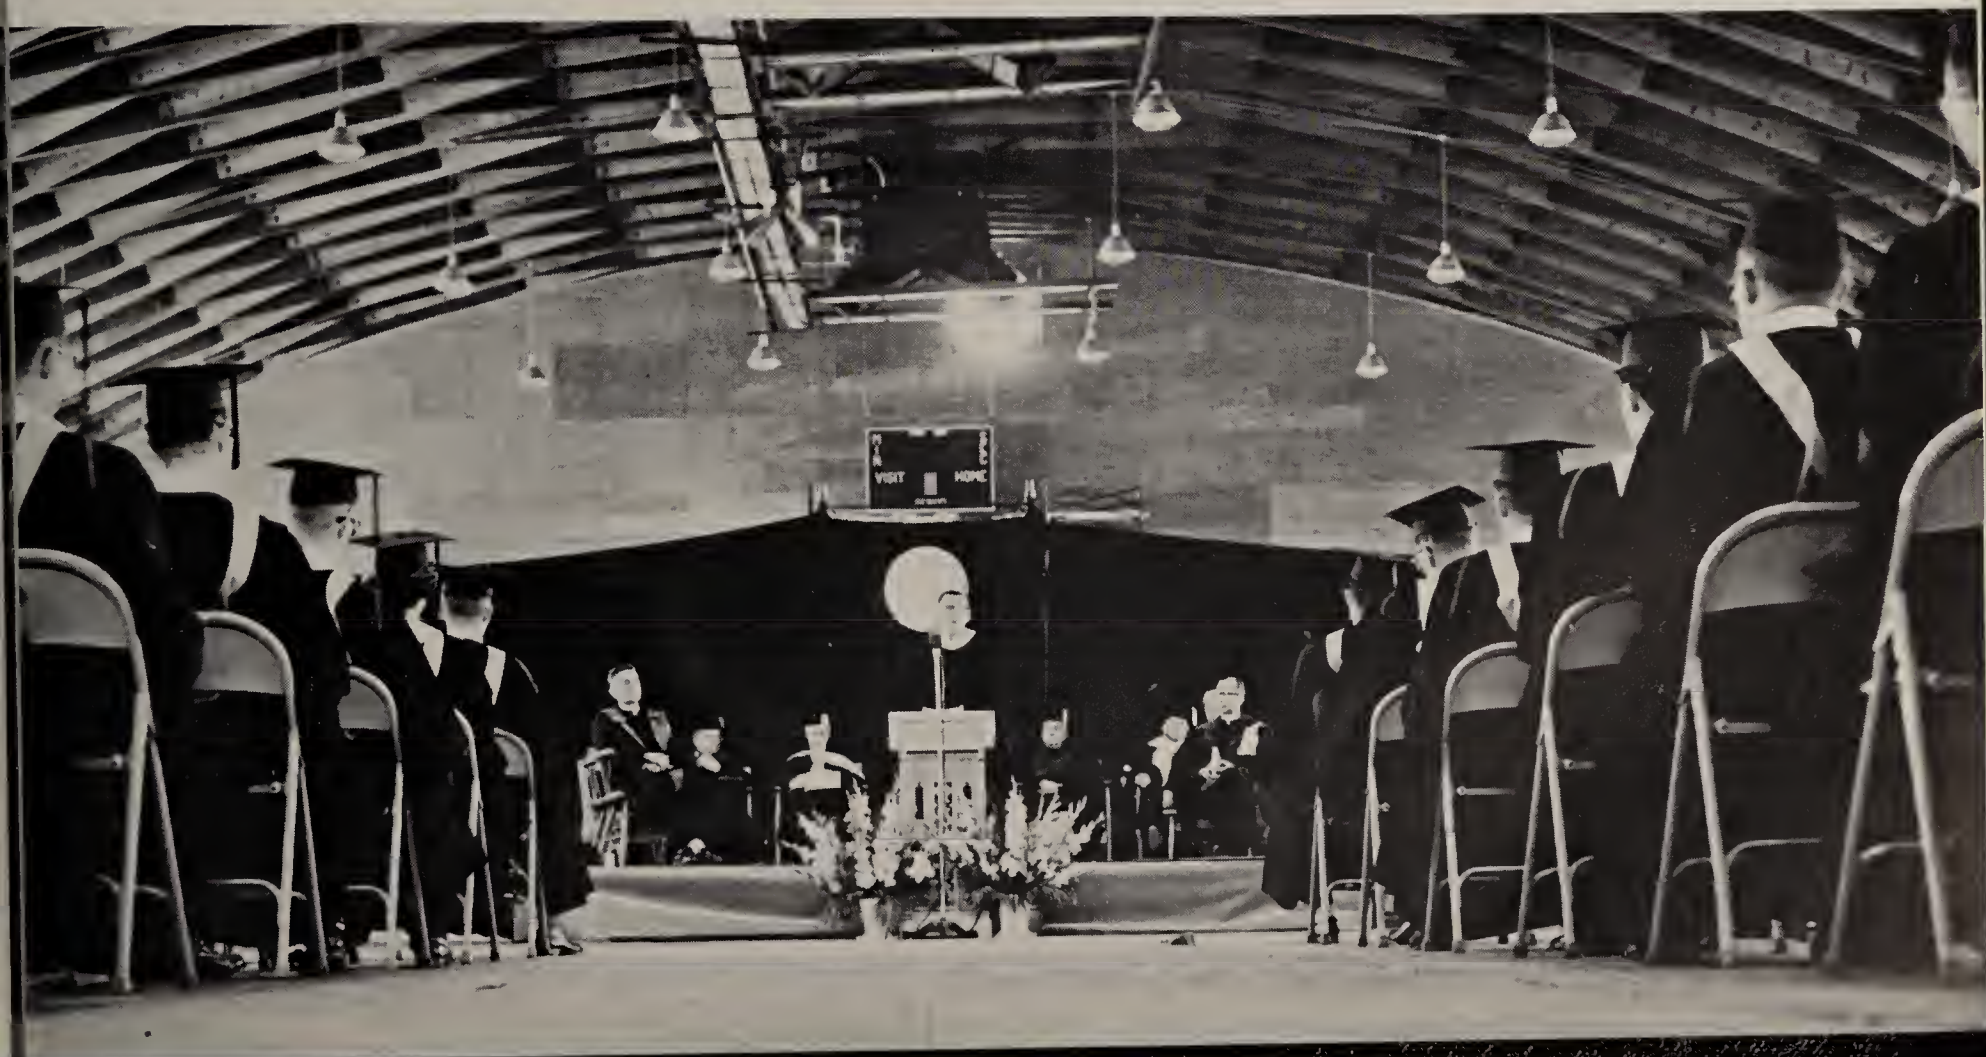

And some 126 graduates thought, as Dr. Helen White spoke, Valedictorian Ray Krizmanic spoke, and Father Maziarz read off the names of the candidates, "It's been well worth it."

The Presentation of Degrees by the Academic Dean, Reverend Edward A. Maziarz, C.P.P.S.

The Very Reverend John E. Byrne presents Doctor Helen C. White with an Honorary Degree.

Raymond A. Krizmanic, Valedictorian, speaking to his fellow graduates.

BEST WISHES TO SAINT JOSEPH'S FROM A FRIEND

Compliments of

DR. L. E. ANDRES

and

DR. T. F. CONNER

Will you leave these freedoms to your children?

Men have died to leave you these 4 symbols of freedom:

A Holy Bible—symbol of your right to worship as you wish. (First Amendment, U. S. Constitution)

A door key—your right to lock your door against illegal government force and prying. (Fourth Amendment, U. S. Constitution)

A pencil—freedom to speak or write what you think, whether you agree with the government or not. (First Amendment, U. S. Constitution)

And a free ballot—your right to choose the people who represent you in government—your protection against government tyranny. (Article I, U. S. Constitution)

Half the world is trying to destroy these 4 symbols and what they stand for.

Even in this country, there are people who threaten our freedoms, by trying to give the U. S. government more and more control over American life.

They have a start—already the government runs hundreds of different kinds of business in competition with its own citizens. And you read about proposals that government take over even more.

The electric light and power business, for example. The federal government already runs some of it. And Congress is being pressed to take over still more. Even though every such step leads down the road to socialism, one thing *most* Americans *don't* want.

If socialism comes to America this way—step by step—you'll never have a chance to vote for or against it. For by that time, government will control your job, your independence, your thinking. Then what freedoms will you be able to pass on to your children?
